Willow Class: Ethan

Oak Class: Charlie

www.easyfundraising.org.uk/

Menu will be: Week 3

This week we feature Oak class. They have been busy in Science, PE and Art.

In Science we have been learning about light and shadows. This week we did an experiment to investigate how the distance of a light source affects the size of a shadow.

In PE, we have been practising our basketball skills, including dribbling the ball with control and accuracy.

As part of our Art topic, we have been developing our shading skills and exploring how to create different tones and textures.

Two fantastic gas marks were created as part of our homework. Here are some photos!
