8th Dec	Nativity Performance @ Chapel
9th Dec	Panto Trip

This week the **Special Awards** go to:

Willow Class: Arlo

Oak Class: Joseff

www.easyfundraising.org.uk/

Menu will be: Week 3

Oak class have been very busy in their history topic. They celebrated the end of their WW2 topic with a VE Day Party!

We learnt some dances from this time, including the charleston, the jive and the sideways walk. We made and ate jam sandwiches, had swiss roll and fairy cakes and tried spam!!!

In Science we have started our topic of Sound. This week we explored how sound travels through vibrations! We struck a tuning fork and placed it in water, watching the vibrations make the water splash and ripple. We also banged a drum next to another drum with rice on top and watched the rice jump as the sound vibrations travelled through the air.

To celebrate Bonfire night we lit sparklers on the playground and had great fun making different shapes and patterns.
