

Friendship
Determination

Courage
Perseverance

Our Value this month is **Friendship**

Respect
Honesty

Thoughtfulness
Empathy

Diary Dates

Oak Class have made a great start to the new school year and have settled in really well. We are getting used to the new classroom arrangements and are grateful for a little bit more room.

| | |
|---------------------|--|
| 20th September | Jeans for Genes Day |
| 23rd—27th September | Bike to school week |
| 30th September | Harvest Festival—All parents are welcome |
| 11th October | Open Morning for prospective parents |
| 17th October | School Photos |
| 21st—25th October | Half Term |

The children will be learning about the Romans this term, but we started off by looking at the people from much further back in the past. We used muted colours to paint some of the animals that would have been around during the last ice age from cave paintings.

In science we are studying food and nutrition before going on to look at the human body, the skeleton, muscles and teeth and digestion in humans and other animals.

These are some excellent pastel drawings of fruit and vegetables.

Parents: We are holding a non-uniform day next Friday 20th for Jeans for Genes day. Children may wear jeans or denim if they wish and we ask if they could bring in a £1.00 donation. Thanks.

This year's School Council Reps are: Chloe, Lilly, Rupert, Beth, Poppy, Max, Sam and Mia
