Amazing Acorn Class have settled in beautifully! They have all enjoyed getting to know each other and making friends. This has been lovely to watch. We have started our topic "All About Me" and we have looked at our eye colour, drawn portraits of ourselves and thought about our families. When discussing our families all of the children agreed that our families are full of special people who love, care and look after us.

We have also started looking at sounds. We went on a hunt around the school to see what we could hear and listed everything! Dogs barking, Mrs Davison talking and the crunch, crunch, bang, bang, clunk, clunk of the lorries and diggers. To look at the 'T' sound we had a teddy bears tea-party with toast and tea from a teapot!

Acorn Class also enjoyed story time with Mrs Randall. They all loved listening and laughing at the teddies in the story.

All of the children have shown brilliant number recognition and are enjoying learning to form their numbers correctly. They love hunting the classroom for all of the numbers they can see.

The children also enjoyed making a garage in our outside area last week. They were washing cars, filling them up with petrol and testing all of the parts. They worked together and shared beautifully.

Thank you for all of your continued support and if you have any concerns or queries please do not hesitate to contact Mrs George.

Parents: Please note we are collecting the Aldi Team GB stickers – thank you for your support.

If your child is bring in food for break time, please make sure it is a healthy snack!
