Diary Dates

10th October	World Mental Health Day—Mufti day and Children can wear yellow
11th October	Open Morning for prospective parents
15th October	Parents Consultation
17th October	School Photos
21st—25th October	Half Term

This week Oak Class have been learning about the Celts who were the people living in Britain before the Romans arrived. They have taken on different roles with an Iron Age village and learned about what that person did, like the blacksmith or the potter.

Outside in the allotment they spent an afternoon building a roundhouse using some of the methods thought to be used at the time. They were quite successful.

Some year 4 children went to train to become Sports Ambassadors at Etonbury last week and will be starting up a lunchtime club soon.

Our Harvest Festival was very successful and they school collected many tins and packets of food for the food bank in Biggleswade. Thank you very much.

Parents: Next Thursday is World Mental Health Day. We will be doing a mufti day and children are to wear something yellow. This could be their yellow polo shirt worn with anything else of their choice.
