The wonderful Willows have had a very busy week. On Tuesday we were fortunate to welcome Jenny the dance specialist to the school. She helped us to create a 'Turrets and Tiaras' themed dance to medieval music.

In science we have been investigating light and dark. We used the torches to look at the properties of different materials. The children then used the terms opaque and transparent to describe what they discovered.

The Reverend Winslade visited Willow Class this week to respond to questions we have about God. The children had some very good questions and the answers we received were very useful in helping us all understand what Christians believe God is like.

Our castle work is nearly complete so a big thank you to all who have sent in cardboard boxes.

Parents: If you haven't yet booked an appointment for parents consultation next week and you would like one, please speak to the office.
