Diary Dates

Well what a busy and exciting first half term Acorns have had at school! They have all become part of the school community and have very quick learnt routines and what happens at school.

21st—25th October	Half Term
28th October	Training Day
6th November	Bags 2School
7th November	Willow Class Trip to Mountfitchet
11th November	Remembrance Day
13th November	Geography Day
15th November	Open Morning for Prospective parents
20th November	Flu vaccination

Last week, the children got to do a dance class with Jenny in the village hall. She taught us all about the way some animals move and we put these into our dance. They all did really well and the dance was brilliant! We had frog jumps, floating wings like a butterfly and stomping like an elephant!

This week, in acorn class, we have finished our topic "all about me" by looking at our senses. The children learnt about our 5 senses and went on a nature senses walk to see what they could hear, see, taste, smell and touch! They were very lucky and got to see squirrels, rabbits and birds and they got to hear the swishing of the trees and growl of cars going past the school.

Whilst out on their walk, the children also collected some leaves which they then used in some artwork when back in class. They created a picture of a hedgehog and used some leaves to show his spikes!

All of the children in Acorn class have done brilliantly in learning their phonics so far and some of us are even starting to use these to write words by ourselves. Mrs George is very proud.

After half term, our topic is "people who help us." We will be having visits from different people who help us in our lives.

I would like to take this opportunity to thank you all for your continued support and help. I hope you have a lovely, relaxing half term and we look forward to welcoming you all back on Tuesday 29th October for another fun and busy half term!

Parents: Please do not let your children play on the equipment before school!
