In class this week the wonderful Willows have been learning about money.

We have set up shops and practised using money to buy things. The children can identify different coins and notes and add money together to get the total amount. They have really enjoyed using the money and trying to get to grips with the tricky concept of coins having different values. If you have a wonderful Willow child why not let them help with some shopping this weekend?

In English we have been reading the story 'Sproutzilla V's Christmas' and 'The Snow Dragon.'

We have been using these books to help us learn about nouns and verbs and using them in our own writing.

Parents: Please make sure you fill out the Christmas lunch form over the weekend.
