27th February	School council book swap/ sale
28th February	Cricket sessions start in school
6th March	World Book Day
18th March	Faith Tour trip for KS1 and KS2

The Amazing Acorns have worked so hard since being back at school this half term.

They have been lucky enough to have Mrs Griffet in the classroom for two weeks. She is a student from Belgium who is looking at the difference in schooling here in England. The children have enjoyed working with Mrs Griffet and we will all be sad to see her leave us on Friday 7th March.

All of the children in Acorn class enjoyed learning about Chinese New Year last week! They learnt about it being the year of the rat and how all of the years come to be named after different animals. They learnt a Chinese dance, listened to traditional Chinese music, got to make lots of different crafts and even tried Chinese food! Using chopsticks was very hard!

Mrs George was very pleased with their efforts when writing their name.

We have been working on measure in maths. The children have looked at and compared the biggest and the smallest, the longest and the shortest, and the heaviest and the lightest. When comparing size they went out into the woods to go on a bear hunt. This was also linked in with our topic of fairy tales. We have looked at a fairy tale a week and this week we have focused on Goldilocks and the Three Bears. We have also looked at the gingerbread man. I am sure the children told you all about the gingerbread man who came to visit!

As ever we thank you for all of your support that you give to your children's learning. We would just like to reiterate how important it is to read with your children at home. This 1:1 time allows for conversation and helps to consolidate their phonic knowledge as well as help support their comprehension skills.

Parents– A letter has gone home today for Willow and Oak class about a faith tour school trip in March.
