## Our Value this month is **Honesty**

Our first week back at school has been one with many changes. The children in all classes have courageously embraced these changes. The one thing that has not changed though is the amount of fun we have at school. Willow Class have spent a lot of time in the woods. Our basecamp area was overgrown with weeds and the children managed to clear the space with scissors and hard work, please see the before and after pictures.

Some children made natural pictures using things they found on the ground.

Before

After

They also tried making hammocks with varied success.

This has been a really happy week at school.

**Parents –**

**We just want to say thank you to all the parents for your support.**
