I would also like to thank you for all your support this year. I know has not been easy having to home educate, especially with many parents working from home themselves!

Our staff have been amazing during this time, supporting with home learning on Google Classroom, calling to check on progress and giving support where needed. I would like to thank them for going the extra mile for our children.

We are looking forward to the Autumn Term and all of our children returning and starting our Forest School activities. There will be lots of outside learning going on to make the most of our wonderful environment. I hope this will also help children with settling back into school and will improve their wellbeing. A letter will be going out to explain about Forest School.

We hope you have a lovely summer and look forward to seeing you in September. We would also like to send our best wishes to our Year 4 children who are moving on to Middle School. We will miss you!

Lewin has shared with us his fantastic drawing of a Labrador!

We want to wish Mrs Hudson all the best at her new school!

We will all miss you but your new school will be lucky to have you.

Good luck!

We would also like to say goodbye to Mrs Howard. You have been amazing and we will miss you.
