Dear Parents

Welcome back!

We would like to give a special warm welcome our new children in Acorn Class and their parents! The children have settled in well despite these difficult circumstances and I am looking forward to spending time with them next week when I will be back in school!

We are already planning our move to becoming a primary school in 2023 and initial plans have been sent by the Local Authority for us to consider. We will keep you updated during the year about any developments.

The children are hoping to celebrate Harvest Festival by collecting non-perishable food for the Need Project in Biggleswade. Please send in any tins or dry goods which we will collect in school.

We have received many queries asking should I send my child to school. We are aware that families are understandably worried and confused about this. Please see the attached advice from the DFE and Government guidance below which you may find helpful.

We look forward to working with you again this year. It is the strong support we get from our parents which helps our children to make such amazing progress and contributes to us being such a successful school.

Yours sincerely,

Mrs Randall
