20th July	Activities day (water fight)
21st July	Last day of term

This week has been World Wellbeing Week and all the classes have enjoyed some extra special time reflecting and evaluating how we can improve our school day. Below are Willow classes thoughts...

This week's newsletter is full of happiness and positivity! In Willow Class we have been celebrating the World Well Being week by...

...Learning to be kind and respectful towards our friends.

A smile of happiness is right under your nose!

...Enjoying some Show and Tell sessions. Each child has had the chance to bring something from home to share in class. We have learnt respectful manners by taking turns to talk (and listen) and enjoyed hearing about our friends' special things.

...Meeting a special visitor from the Making Me Charity along with Kipsy the caterpillar who helps us to talk about our feelings.

Having active movement breaks. We break our lessons into smaller, more manageable chunks with active movement breaks using the BBC Super Movers Clips. These are lots of fun and help us to learn too!

This week the

Special Awards go to:

Acorn Class: Grace

Willow Class: Ophelia & Oscar

Oak Class: Ben

Menu will be: Week 1

Please
remember to fill
in the lunch
form each week
