This week we are celebrating the Year 4 children who are staying at the Grafham Water residential camp. The weather has been kind so far and they have enjoyed themselves thoroughly.

During their first afternoon they enjoyed crate stacking and the high ropes with archery afterwards.

After dinner it was time for bed!

Day two saw the children working together to plan how best to make a raft.

Then they had to make it to scale!

Next they had to test it- but It didn't last long!!!

More updates are on Facebook !
