Menu will be: Week 3

Welcome to Acorn Class's first newsletter! All of the children have settled into school really well and have spent a lot of time getting to know each other and settling into their new classroom!

As each day passes they are all becoming more confident with the school routines.

We started the week with a tour around the school, singing songs, reading stories and playing in the classroom and in our fantastic outside area.

The children were introduced to the worry monster and their Kipsy caterpillars to encourage them to recognise and share their feelings.

The children have enjoyed learning and playing outside on our lovely grounds.

In the afternoons the children have each painted their own paper plate self-portrait using a mirror to help them paint themselves accurately.

These have formed a fantastic start to our topic display which is based on 'Ourselves' (Including people who help us).

The children have also been sharing who is in their family and talking about what they have enjoyed during their first week in school.

Mrs Gunn and I are so proud of them and we are excited to welcome them back for their second week in reception class!
