Harvest Festival took place this week at the Methodist Chapel in Gravenhurst. The children enjoyed showing family and friends the importance of kindness and giving to those less fortunate than us.

Thank you to everyone who came to our Harvest Festival at the Chapel on Monday. We enjoyed showing off the words and actions of our oral story 'The Gigantic Turnip'. We also loved the Acorn Class paintings of autumnal fruit and veg and thought the Oak Class Harvest poem was just fantastic!

In class, we have continued our Science theme on 'Animals including humans' and met more of our animal friends. We also carried out an investigation to find out which material would be most absorbent for wiping up a puddle should there be a puddle accident on the floor after one of our furry visitors!

In PE lessons we have improved our ball handling skills and practised working as a team.

In History we have learnt about what schools were like

over one hundred years ago. We learnt that teachers were super strict and the children were punished for making mistakes. Luckily nowadays **our** teachers know that mistakes help children learn. So in Willow class the rule goes: **I cannot do it... yet!**
