Oak class have been very hands on in science and experimenting in lessons. Oddly enough no one was asking to eat the foods used after they had seen what happens to it!

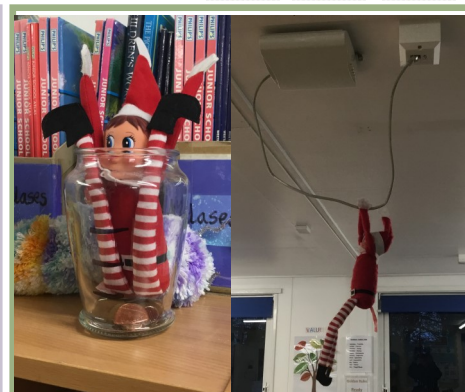

In Science we have been learning about how our digestive system works. We created our own model to carry out a demonstration of

the digestion process using water, bread, food colouring, orange juice and a stocking!

Our mischievous elves Tinsel and Skittles have returned! They are being very naughty and we can't wait to see where they are and what they are up to each day!

On Tuesday we went to Pixbrook Academy to learn the new sports of Kurling and Boccia. It was great fun and we got to play lots of different games against other schools, such as noughts and crosses, battleships and target spot.

This week the

Special Awards go to:

Acorn Class: Celease

Willow Class: Elsie

Oak Class: Beatrice

Menu will be: Week 2
