27th March	Science Workshop (all classes)
28th March	Egg Rolling/ Bake Sale/ FROGS Bunny jar Raffle 
29th March	Easter Holidays
15th April	Training Day

A

corn class have had a fantastic week and have been thoroughly enjoying all of their time outside whilst exploring the topic 'Come Outside'.

We started our week with our Gymnastics session where the children built on their previous learning of exploring gymnastics shapes.

They have been amazing at recalling many of the different shapes for example, star, pike, dish, arch and tuck. This week we moved onto gymnastics jumps such as the rocket/ straight jump and the star jump and we focused on landing safely in readiness for getting the equipment out.

In our topic sessions we have spent time talking about the changing seasons, spring, growing and new life. We have spoken about the new life that the season brings and then children had a go at matching the mother animals to their young.

They explored printing to make a beautiful blossom tree and had a go at drawing how a tree looks across the 4 seasons.

The children have enjoyed continuing their search of mini-beasts in our outdoor environment. A wonderful parent donated a Hedgehog House, with supplies, to help with our exploration of this topic and to provide a lovely warm home for any spikey little visitors we may have!

This week the

Special Awards go to:

Acorn Class: Ava

Willow Class: Grace C

Oak Class: SJ

Menu will be: Week 1
