Thoughtfulness

Diary Dates

21st June	Parent lunch on the lawn
24th June	Year 4 Trip to RBA to see FROZEN
1st July	Last Gardening Club
3rd July	Last Drama Club
5th July (AM Only)	STEP UP DAY (Everyone moves to new classes for Sept)
6th July	Gallop (Village fete)

Acorn class have had a wonderful week with their continued exploration of our topic 'Our World'. Our focus story of the week has been 'The Rainbow Fish'.

The children have enjoyed listening to the story, retelling it and writing about it, including their very own book review.

The children have thought of wonderful, descriptive sentences to share what the Rainbow Fish looks like, how he was feeling throughout the story and a description of his habitat. We have shared ideas for being a good friend, making others feel special and how the Rainbow Fish still felt love and happiness even without his wonderful shiny scales.

Mrs Gunn and I are so proud of all of the children and the huge amounts of progress each child has made with their writing, nearly always remembering their capital letters, finger spaces and full stops! Acorn Class have made their very own beautiful Rainbow Fish, which they have worked incredibly hard on in the afternoons. They are a lovely addition to our displays around the classroom.

In Maths lessons we have been using positional language. The children have moved teddy around the classroom to describe where he is in relation to other things and also had a go at giving instructions to help their friends build towers. We have been recapping our number bonds to 10 and the children have loved playing games on the big whiteboard to help them with their quick recall.

Wishing you all a wonderful weekend and an extra special Sunday for Fathers Day.

This week the **Special Awards** go to:

- Acorn Class: Maya
- Willow Class: Lennon
- Oak Class: George

Menu will be: Week 2
