

Our Value this month is **Determination**

Diary Dates

This week's newsletter features Willow class and their topic subjects. They have been busy learning the art of paper and glue and balancing on one leg!

27th Jan	RSPB Bird Count
28th Jan	Acorn Class: Vision Screening
31st Jan	PTA EVENT: Games Night - Village Hall
7th Feb	Number Day
14th Feb	PTA Event: Valentines Disco & Cake Bake sale
14th Feb	Last day of Half term
24th Feb	Back to school

...Another busy week in Willow Class! In English we have been learning some amazing facts about polar bears and getting ready for non-chronological report writing. Who would have known for example, that polar bears actually have black skin or that they can smell prey nearly 20 miles away!

In Art we have been learning different paper folding methods to make paper sculptures. (Very messy but lots of fun!)

In PE we had a go at balances on apparatus and in our outdoor PE we are learning some tennis skills.

HISTORY

In History we have looked at toys in the past and comparing these to their modern counter parts. The children have also written questions to parents and grandparents to learn about their

favourite childhood toys and games.

Please remember to fill in the lunch form each week

This week the **Special Awards** go to:
 Acorn Class: Evie
 Willow Class: Grace
 Oak Class: Jackson

Menu will be: Week 1
