

Our Value this month is Cooperation

Diary Dates

4th March	Pancake day
5th March	Rev Jenna Easter Assembly
6th March	World Book Day
18th March	Parents consultations
19th March	British sign Language workshops
27th March	Acorn Class NHS Measurements visit
7th April	Training day

Oak class have been showing off their PE skills, experimenting in science with light and learning the hand jive—what an exciting week of learning!

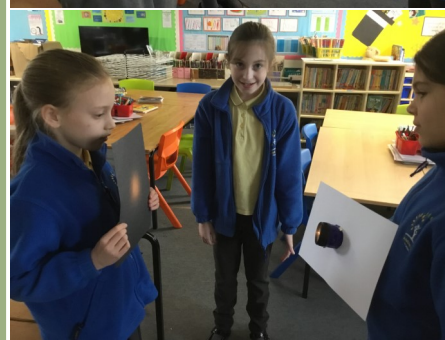

Year 4 went to Henlow Academy to take part in a Sportshall Activities competition against other local schools. They had to enter six relay races including an obstacle race and an over and under race!

There were also 5 field events: the chest push, five strides, soft javelin, speed bounce, standing long jump and the vertical jump! Everyone was keen to have a go and there were some great performances!

In Science we have been looking at the topic of Light. We carried out an investigation to see which surfaces reflect light. We worked in groups to test different materials to see which material would be the best to use as a reflective strip on a new school book bag.

In Music we have been looking at the genre of Rock and Roll and learnt how to do the hand jive!

This week the **Special Awards** go to:

Acorn Class: Theo

Willow Class: Florence

Oak Class: Leo

Well done Year 4!

Menu will be: Week 2
