Acorn class have been thoroughly enjoying the warmer weather this week and the beautiful sunshine. They have been utilising their outdoor play space and enjoying the freedom that good weather brings!

Phonics In phonics lessons we have covered the sounds 'ure' and 'er', these are the final 2 sounds of phase 3 before we recap all of the phase 3 sounds we have learnt. The children are doing exceptionally well and always try hard with their reading and writing!

In Maths we have been discussing time, we started the week talking about how much we can do in different lengths of time. We enjoyed different activities as a class, seeing how many star jumps, claps and hops we could do in 30 seconds and then the children individually had a go at seeing how

tall they could build their tower in 1 minute. We have talked about sequencing and ordering things we do during a day, from getting up in the morning to going home after school.

On Shrove Tuesday the children worked in their houses to run in a pancake race, all of the children participated and enjoyed flipping the pancake in the frying pan. They were then very excited to eat a pancake in the sunshine.

The children enjoyed looking for signs of spring and then having a go at drawing from life and of course spending lots

of time in the Acorns garden.

World Book Day was lots of

fun and it was fantastic to see all of the children dressed up as various characters. They did some excellent writing and designing of their own super vegetable, after listening to the story SUPER-TATO!

Our afternoon sessions have been lots of fun! In PE we have moved onto our second gymnastics session where the children recapped and continued practicing various gymnastics shapes, this time using apparatus.

This week the **Special Awards** go to:

- Acorn Class: Beau
- Willow Class: Logan
- Oak Class: Morgan
