Willow class have enjoyed Forest School this half term. Jacqui has brought in wonderful items for the children to explore our grounds with.

Willow Class is currently enjoying their forest school sessions every Monday. This Monday our forest school teacher, Jacqui, brought in

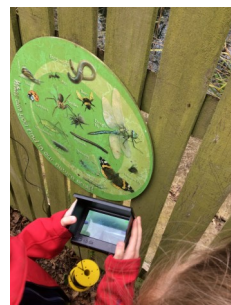

a pond dipping camera and we got to see the animals below the water surface. We saw some pond snails and even a newt!

Our forest school muntjac, Daisy, was nowhere to be seen but we did see that she had eaten her food and evidence of the digested food too!

We also had visitors from the

Fire Brigade. They came into class to talk about fire safety and we all got the chance to use the fire hose!

We also made gonks and nests out of clay and played with forest soft toy animals.

This week the **Special Awards** go to:

Acorn Class: William

Willow Class: Dylan

Oak Class: Charlie

Menu will be: Week 1
