Acorn class have had a fantastic week at school and we have all thoroughly enjoyed the glorious weather. Please remember Acorn class have forest school on Tuesday next week.

The week started with Forest school where the children enjoyed playing games, modelling and creating with playdough and natural materials, and of course freely moving through the forest (often wearing butterfly wings!).

Our PE lesson involved continuing with Tennis skills. The children worked hard on their precision when playing games and practicing throwing and catching, working both independently and as a team.

Theo was awarded a participation certificate from Lucy the instructor.

The focus story of this week has been 'Jack and the Beanstalk'. The children listened carefully to the story and then had a go at joining in and retelling the story. We have also talked about the life cycle of a bean and made our own cycle to show the natural process it goes through.

Phonics In our morning learning, we have continued with Phase 4 phonics where the children have been introduced to polysyllabic words containing adjacent consonants; for example in the words - Stepladder, lightning and grandad. This is a really tricky stage and as always the children have worked really hard to break these words into smaller parts to help with their segmenting.

In Maths we have been recapping patters and then moved on to numbers beyond 10, recognising tens and ones in a number and having a go at writing numbers to 20. We have continued to practice our counting, all the way to 100!

Wishing you all a wonderful long weekend and I look forward to another lovely week.
