20th June	Ark Farm Visit
1st July	Summer Production performance 2pm & 6pm
4th July	Step Up Day
5th July 	Gallop

The whole school have enjoyed celebrating VE day on Thursday. We had a special assembly with Mrs Bowskill and lovely cupcakes made by a parent for everyone to enjoy!

In Willow Class we have had another happy, busy and bubbly week full of learning!

In English our reading and writing has been based on the Tear Thief story. The children wrote some lovely letters to the Tear Thief and they also worked on their ability to describe

things effectively using adjectives and similes.

The Kwik Cricket session was lead by Lucy from the Sports Partnership. This was a very active lesson and there was lots of impressive bowling and batting taking place!

In Science the children are spending time looking after and observing their sunflower seedlings. Luckily most of the seeds had germinated last week. Phew!

On Thursday we all enjoyed the VE day picnic. The lack of sunshine had no impact on the celebratory mood -just see how gorgeous the children looked dressed up to their nines and sporting the colours of the Union Jack!

This week the **Special Awards** go to:

Acorn Class: Willow

Willow Class: Nico

Oak Class: Charlie

Menu will be: Week 1
