The children in Acorn Class have had a wonderful first week at school. They have settled into school life really quickly and are beginning to pick up daily routines.

All of the children at Gravenhurst Academy have welcomed the new starters and it has been lovely to see them playing together and supporting each other during breaktime and lunchtimes. Thank you to all of the Acorn parents for their support during this week as I know there is a lot of information to take on board when starting school.

During our first week together we have spent lots of time exploring the school grounds, playing and making new friends. The children have enjoyed a variety of activities both inside and outside the classroom and have started to form some lovely friendships.

This week the **Special Awards** go to:

Willow Class: Evie M

Oak Class: Ethan
