15th Dec	Activity Day
16th Dec	Christmas Dinner
17th Dec	Panto Trip- Grove Theatre
18th Dec	Christingle
19th Dec	Last Day of Term

A wintery hello from Oak class! This week we have enjoyed the light sprinkling of snow and the chance to play with our friends in the winter sunshine.

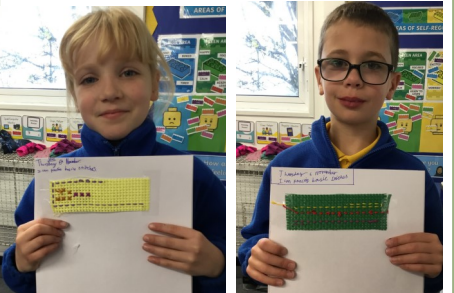

However, luckily the snow quickly melted and though a little chilly, we were able to go outside for PE with our sports coach.

We had great fun practising our tag rugby skills and learning lots of new games.

In Design Technology we have begun designing and making our cushions. We have been practising running stitch and some of us have even been able to master cross stitch. This week we have started to sew a design to go on the front of our cushion. We are slowly getting better at threading our own needles and following a straight line!!

This week the **Special Awards** go to:

Acorn Class: Addie

Willow Class: Travis

Oak Class: Mila
