

Our Value this month is Determination

Diary Dates

10th Feb	Pancake Races
12th Feb	Valentine's Cake Bake Sale
13th Feb	Last day of Half Term
16th-20th Feb	Half term break
23rd Feb	Return to school
26th Feb	Gardening club resumes
5th March	World Book Day

Acorn class have been enjoying their topic of this half term of DINOSAURS!

The week began with our new PE topic of Dance which involved practicing different dinosaur dance movements. The children used large stomping feet, soft tip toes, and fast feet to practice moving in different ways. They used their arms to fly high and low gracefully around the hall like a pterodactyl. They had lots of fun and then even had a go at watching their friends to guess which dinosaur they were dancing as.

In our morning learning the children have continued working on phase 3 sounds, with the introduction of 'ai' in snail and 'ee' in cheese. These sounds have been tricky, however the children have persevered as they always do and have completed some fantastic writing and reading using these sounds.

Our Maths learning has been exploring 1 more and 1 less than a number and composition of numbers up to 5. The children have enjoyed learning and practicing these concepts using technology, different activities and playing games! The children have also LOVED playing with the various games that we gratefully received from Santa. We also had a visit from Karen and her pet therapy

The children have also planned and designed their very own dinosaurs, which we then turned into 3D clay sculptures – they look amazing! The children can't wait to decorate them once they are dry next week.

dog Peggy. The children enjoyed spending time reading with Peggy and having some special cuddles.

Wishing you all a fantastic weekend!

This week the **Special Awards** go to:

Acorn Class: Remi

Willow Class: Willow H

Oak Class: Freddie

www.easyfundraising.org.uk/

Menu will be: Week 3
